

# Dylan Pettijohn

Computer Science Major at Allen High School.

960 Pheasant Drive  
Allen, TX 75013  
(214)-892-0371  
nalyd1369@gmail.com

## QUALITIES

Strong team leader, easy to get along with.  
Planning, design, and cleanliness are important to me.  
I love caring for plants; I propagate mint, catnip, bamboo, and majesty palm.  
I'm passionate about my projects and work.  
I work hard to finish my work early and avoid procrastination.

## STRENGTHS

I have years of experience in many coding languages such as JavaScript, Python, Java, Swift, C#, HTML, CSS, Batch, Bootstrap, and more.  
Hard-working, committed, and devoted to self-improvement.  
Focused on cleanliness and attractiveness both with myself and the projects I undertake.  
I'm willing to help and learn to contribute to a team. Willing to work in a team environment of skilled people.

## EDUCATION

### Allen High School, Texas — *High School Diploma*

AUGUST 2020 - Ongoing

I'm learning the basics of Computer Science, as well as taking elective math and logic classes to further myself. I also was admitted to my school's Gifted and Talented program in freshman year.

## PROJECTS

### Dumpster Fire — *Discord Bot* (11/20 - 04/22)

A Discord Bot, coded in JavaScript. Grew to 74,000 users.

### PC flipping — (04/20 - 9/20)

Bought cheap computers online, fixed and upgraded them, then resold for more.

### Dumpster Fire Light — (04/22 - 05/22)

Designed and 3D printed chassis, with red LEDs soldered together, using USB power. Then programmed when it should be on/off.

## SKILLS

- Fast learner who picks things up quickly.
- Easily able to make friends and band together as a team.
- Works well in leadership and management positions.
- 7 years of previous knowledge about computers and software.
